ANSWERS TO QUESTIONS RECEIVED THROUGH 2:00 P.M. ON OCTOBER 1, 2021:

Q#3 It appears Attachment A-1 to the bid is formatted as a larger pdf file but (or different size), can that be re-uploaded so the whole spreadsheet can be printed.

A#3 Attachment A-1 was provided in a .xls format which should allow for printing of the whole spreadsheet.

Q#4 Attachments A-2 and A-3 when printed on a plotter per the pdf size are very hard to read. Is it possible for the design team to create pdf files of the fiber infrastructure that when plotted out are easier to read ?

A#4 Attachments A-2 and A-3 are attached to this Addendum No. 2 in their original .dwg format.
