ANSWERS TO QUESTIONS RECEIVED THROUGH 5:00 P.M. ON SEPTEMBER 16, 2025:

Q#1 We wanted to clarify something regarding the revenue split. We don't operate on a 50/50 split; instead, our model is based on debit card rooms minus the cost of goods. The paperwork you provided only allows for a 50/50 split to be indicated. Would it be possible for us to attach a separate form to the proposal to explain our actual split and how our operations work?

A#1 The RFP Revenue Sharing Proposal states "...The minimum percentage offered for Video Arcade Operations shall not be less than forty-nine percent (49%) of Gross Receipts. The minimum percentage offered for Redemption Games shall not be less than thirty-four percent (34%) of Gross Receipts...." The Commission will consider alternative revenue sharing proposals if the above definition does not apply to the respondent's operations.
