Date

ANSWERS TO QUESTIONS RECEIVED THROUGH 5:00 P.M. ON NOVEMBER 9, 2021:

Q#1 In order to participate as a minority sub-contractor, can we please be furnished a list of the PRIME contractors bidding on this job?

A#1 To be answered in Addendum No. 2.

Q#2 Also can we expect a definite % minority supplier goal or requirement to be assigned to project?

A#2 To be answered in Addendum No. 2.

Q#3 Will every location have a communications closet with a rack for both a "Master Station" and PoE switch. With pre-installed power access to 110VAC

A#3 To be answered in Addendum No. 2.

Q#4 How many Loudspeakers are needed in total?

A#4 To be answered in Addendum No. 2.

Q#5 What is the expected amount of downtime between removal of the existing system and installation of the new system, per location?

A#5 To be answered in Addendum No. 2.

Q#6 Who is removing the existing cabling?

A#6 To be answered in Addendum No. 2.

Q#7 Please describe network connectivity between physical locations.

A#7 To be answered in Addendum No. 2.

Q#8 How many units of "spare equipment" is to be provided over the stated quantities of each equipment type?

A#8 To be answered in Addendum No. 2.

Q#9 Due to the limited scope of this project is a performance/payment bond necessary. Will alternative assurance methods be considered by the Commission?

A#9 To be answered in Addendum No. 2.

Q#10 What is the expectation as to the overall duration of the project from start to full implementation at all locations?

A#10 To be answered in Addendum No. 2.

Q#11 Our proposed solution will contain our existing IP related to intercom design and operation as well as software design and operation. Will the Commission allow removal of the IP ownership requirement in section ARTICLE 10 – INTELLECTUAL PROPERTY RIGHTS?

A#11 To be answered in Addendum No. 2.

Q#12 Are you looking for a specific intercom/mass notification system? We have found many that will do most of what you are looking for, but the rest of the requirements would not be met, or would take special programming/integration.

A#12 To be answered in Addendum No. 2.

Q#13 We'd like to request a site visit for RFP No. 20-2021. Preferable days if at all possible are Nov 17th, 16th, 15th in that order

A#13 The Commission will hold a site visit on Wednesday, November 17, 2021, at 10:00 A.M. at Toll Plaza 140, located at 7997 Leavitt Rd., Amherst, Ohio 44001. Once we look at that location, we will travel 5 minutes to Service Plaza 5 South, Vermillion Valley, to walk through a Service Plaza. From there, we will travel 10 minutes to Maintenance Building 5, Amherst, to walk through a Maintenance Building.

End of Addendum No. 1
