OHIO TURNPIKE COMMISSION

Resolution No. 51-1952. July 30, 1952. With Respect To
Reimbursement of Out-of-Pocket Expenses of Commission Employees

WHEREAS, the Commission has heretofore employed certain employees, and expects that both today and in the future it will employ additional ones, and various of these employees will or may necessarily have to incur certain expenses in the rendition of their services to the Commission, for which they should be reimbursed;

NOW, THEREFORE, BE IT RESOLVED,

~~Resolved~~ That, subject to any conditions and limitations, and any requirements as to reporting and approvals, which may hereafter be imposed by the Commission or under its authority, all employees of the Commission shall, upon presentation of accounts thereof to the satisfaction of the Commission or its Secretary-Treasurer or Comptroller, be reimbursed for their actual expenses for travel (exclusive of travel between their homes or places of abode and the Commission's offices or other place, if any, at which they may have their headquarters and be regularly assigned to work) and for subsistence during travel on the Commission's business and for long-distance telephone, telegraph, printing, mimeographing, photostating and other actual expenses, necessarily incurred by them in the rendition of their services under their employment by the Commission.

Adoption of the foregoing resolution moved by Mr. Raymond

Above motion seconded by Mr. McKay
