OHIO TURNPIKE COMMISSION

Resolution No. 93-1953 Finding it Necessary to Change the Location of  
Certain Public Roads and State Highways

WHEREAS portions of certain public roads and state highways intersect  
the route to be traversed by Ohio Turnpike Project No. 1; and

WHEREAS §1206 of the Ohio General Code empowers the Commission to  
change the location of any portion of any public road or state highways, if it  
shall find it necessary so to do;

NOW, THEREFORE, BE IT

RESOLVED that the Commission, having fully considered the same, finds  
it necessary to change the location of portions of the following designated public  
roads and state highways:

MARIONING COUNTY

(a) County Roads as follows:

| <u>Road</u>                   | <u>Township</u> | <u>Approx. at</u><br><u>Turnpike Station</u> |
|-------------------------------|-----------------|----------------------------------------------|
| Garfield Road                 | Springfield     | 1270 / 06.15                                 |
| Sebring Pine Lake Road        | Springfield     | 1144 / 22.59                                 |
| South Range-Center Road       | Springfield     | 1009 / 86.76                                 |
| Yerian Road                   | Beaver          | 921 / 60                                     |
| H. Benton-Calla-Stateline Rd. | Beaver          | 815 / 65.97                                  |
| Gibson Road                   | Canfield        | 378 / 24.13                                  |
| Fairview Road                 | Jackson         | 217 / 50                                     |
| Gladstone Road                | Jackson         | 28 / 78.11                                   |

(b) State Highways as follows:

| <u>State Highway No.</u> | <u>Township</u> | <u>Approx. at</u><br><u>Turnpike Station</u> |
