

OHIO TURNPIKE COMMISSION

**Resolution Revising the Schedule of Tolls
and Authorizing the Addition of
Third Lanes on the Turnpike**

WHEREAS, by Resolution No. 16-1981, adopted December 17, 1981, the Commission adopted a revised schedule of tolls which became effective February 1, 1982, and which schedule has been supplemented from time to time to accommodate the addition and opening of new toll interchanges;

WHEREAS, a study entitled, "TRAFFIC CAPACITY STUDY-ADDITIONAL LANES," has been prepared for the Commission by URS Consultants, Inc., which study analyzes traffic capacity and projected traffic on the Turnpike and the consultant concludes, on the basis of the analysis, that the addition of a third lane in each direction on the Turnpike between Gate 4 and Gate 15 (159.8 miles in length) is needed for stable operation of traffic on the Turnpike, at a current estimate cost of at least \$440 million;

WHEREAS, the executive director has reviewed the study and recommended that the third-lane project be commenced immediately and be completed within the next five years;

WHEREAS, the executive director advises that other capital projects envisioned by the Commission for the turnpike over the next five years, such as adding new interchanges, renovating and expanding existing interchanges, renovating service plaza restaurants and related facilities, on-going roadway resurfacing and repair and other projects could cost as much as \$300 million;

WHEREAS, the executive director advises that this total program cannot be financed from existing revenue levels and, therefore, he recommends that the Commission authorize and approve an eighty percent (80%) general toll rate increase, effective June 1, 1995, to help meet the Commission's ongoing financial needs;

WHEREAS, the executive director recommends that the Commission retain the services of a project management consulting firm to assist in the implementation of the third-lane project;

WHEREAS, the Commission desires to proceed with the recommendations of the executive director;

NOW, THEREFORE, BE IT

RESOLVED that the "TRAFFIC CAPACITY STUDY - ADDITIONAL LANES," by URS Consultants, Inc. dated March 31, 1995, hereby is accepted by the Commission;

FURTHER RESOLVED that the report and memorandum from the executive director, dated April 21, 1995, hereby is accepted by the Commission;

FURTHER RESOLVED that the Commission does hereby adopt the revised schedule of tolls as set forth and attached hereto as "Exhibit A";

FURTHER RESOLVED that said revised schedule of tolls shall be made effective as of 12:01 a.m., June 1, 1995;

FURTHER RESOLVED that the discount provided for qualifying operators of commercial vehicles shall continue in effect as heretofore and special permit fees for overdimensional or overweight vehicles, long combination vehicles (LCVs) and any other special use permits granted under authority of the executive director shall remain as now in effect;

FURTHER RESOLVED that the executive director is authorized and directed hereby to study and recommend to the Commission for adoption a discount program for regular, non-commercial users of the turnpike;

FURTHER RESOLVED that the executive director is authorized and directed to prepare and issue a Request for Proposals (RFP) for the services of a project management consulting firm to assist in implementing the third-lane project for the turnpike and to take such other actions as are necessary to proceed with the project, provided, however, that the executive director shall keep the Commission apprised of such actions and obtain the approval of the Commission for any actions not authorized to be performed by him under the Code of Bylaws.

(Resolution No. 16-1995 adopted April 24, 1995)

I, Allan V. Johnson, Assistant Secretary of the Ohio Turnpike Commission, do hereby certify that the above is a true copy of the aforesaid resolution which was duly adopted at a meeting of the Commission, duly called for and convened and held on April 24, 1995, at which a quorum was at all times present and voting.

WITNESS my hand and the seal of the Ohio Turnpike Commission on this 25th day of April, 1995.

Allan V. Johnson
Assistant Secretary-Treasurer

Ohio Turnpike Commission
Schedule of Tolls
