FOR IMMEDIATE RELEASE

### **Ohio Turnpike Partners with Corporate College to Develop Leaders**

BEREA, Ohio (May 20, 2022) – Supervisors employed by the Ohio Turnpike have an opportunity to advance their leadership and management skills through a new partnership with Corporate College, a division of Cuyahoga Community College.

“The Frontline Supervisor Leadership Program is an innovative way to train our employees to achieve supervisory success in the workplace while supporting the strategic objectives of our organization,” said Ferzan Ahmed, executive director of the Ohio Turnpike and Infrastructure Commission. “Another important objective of all leadership training programs is to assist with an organization’s succession planning.”

The inaugural class included seven supervisors from the Ohio Turnpike's maintenance facilities, toll operations, and service plazas. The program is taught by Corporate College professors and instructors as well as leaders from the Ohio Turnpike.

The six-month program includes 70 hours of training through in-person and virtual sessions and curriculum covering topics such as change and conflict management, coaching and talent development, professionalism, team building, time management and more. The Ohio Turnpike plans to offer the program throughout the year. The second class began on May 11.

Qualified candidates who are interested in starting a career with the Ohio Turnpike are encouraged to apply. Positions are currently available in the fields of auditing, civil engineering, finance, maintenance workers/trades, service plaza operations, technology, and toll collections/supervision.

The Ohio Turnpike offers competitive wages, excellent benefits, a supportive work environment and more. For a detailed list of career opportunities, [click here](#).
