

OHIO TURNPIKE AND INFRASTRUCTURE COMMISSION

Resolution Authorizing the Selection of Crafc0, Inc. for Joint Sealant Under Bid Invitation No. 4424 in the Total Amount of \$286,440.00

WHEREAS, the Ohio Turnpike and Infrastructure Commission (“Commission”) advertised an Invitation for Bids to furnish the approximate quantity of 550,000 pounds of hot-pour, ready-mixed joint sealant under Invitation No. 4424; and

WHEREAS, the Commission received three (3) bids in response to the Invitation, and the Commission’s Maintenance Operations Engineer reviewed and analyzed the timely bids submitted, whose report concerning such analysis is before the Commission; and

WHEREAS, the Maintenance Operations Engineer reports that Crafc0, Inc. (“Crafc0”), of Chandler, Arizona, submitted the apparent low bid at a unit price of \$0.4960 per pound; and

WHEREAS, the Maintenance Operations Engineer reports that the bid of Crafc0 conforms with the bid specifications in all material respects, observed that Crafc0 has satisfactorily furnished similar material previously to the Commission, and recommends that the Commission select the bid of Crafc0 as the lowest responsible and responsive bid received under Invitation No. 4424, in the amount of \$0.4960 per pound, which may result in a total contract price of \$286,440.00 if the maximum delivery variance of five percent from the approximate quantity of 550,000 pounds is reached; and

WHEREAS, the Commission’s Director of Contracts Administration has determined that the bids for Invitation No. 4424 were solicited on the basis of the same terms and conditions and the same specifications, and that the bid from Crafc0 for Invitation No. 4424 conforms to the requirements of Ohio Revised Code Section 5537.07 and 9.312; and

WHEREAS, the Office of Equity and Inclusion determined to waive the program requirements due to a lack of subcontractor opportunity and availability of certified firms; and

WHEREAS, the Executive Director and Chief Engineer have reviewed the report of the Maintenance Operations Engineer and concurs with the recommendation to award the contract for Invitation No. 4424 to Crafc0 as the lowest responsive and responsible bidder; and

WHEREAS, Commission action is requested to approve the contract in accordance with Article V, Section 1.00 of the Commission’s Code of Bylaws because the amount of the bid received will require an expenditure that exceeds \$150,000.00 to furnish the joint sealant material; and

NOW, THEREFORE, BE IT

RESOLVED, by the Ohio Turnpike and Infrastructure Commission that the bid of Crafc0, Inc. under Invitation No. 4424, to deliver an approximate quantity of 550,000 pounds of hot-pour, ready-mixed joint sealant for its bid price of \$0.4960 per pound, which will result in a total contract price of \$286,440.00 if the maximum delivery variance of five percent from the approximate quantity of 550,000 pounds is reached, is approved as the lowest responsive and responsible bid received, and that the Executive Director is authorized to execute a contract on the basis of said bid.

(Resolution No. 19-2023 adopted February 21, 2023)
