NOTE: Upon implementation of the new toll system in April 2024, a full length trip across the Turnpike is now 3 transactions westbound and 2 transactions eastbound due to the open road tolling/barrier system structure.

<sup>(1)</sup> The current year total for TP 4 Westgate Barrier includes both eastbound and westbound traffic. The prior year total for TP 2 Westgate represents westbound traffic only.

<sup>(2)</sup> Effective 4/10/24, these plazas became untolled while maintaining access to the Turnpike.
