NOTE: Upon implementation of the new toll system in April 2024, a full length trip across the Turnpike is now three vehicle transactions westbound and two vehicle transactions eastbound due to the open road tolling/barrier system structure.

(1) The current year total for TP 4 Westgate Barrier includes both eastbound and westbound traffic. The prior year total for TP 2 Westgate represents westbound traffic only.

(2) Effective 4/10/24, these plazas became untolled while maintaining access to the Turnpike.
